- 1) Tax foreclosure resales are available for sale by full purchase quotes at this time or will be scheduled for a public resale auction conducted by Constable of the county where the property is located.
- 2) All sales are without warranty of any kind. **Purchasers receive a Tax Deed or a Constable's Deed that is without warranty.** Bidders should satisfy themselves concerning title and location of the property and improvements on the property including any encroachments *prior* to bidding. **Neither our firm nor our clients can guarantee the title to any property. The tax sale is an "as is," "where is," and "buyer beware" sale. If you have any questions about specific liens or ownership of the property, you may research the title yourself or through a title company. The judgments in these cases list the parties included in the tax suit.**
- 3) Taxes may be due beyond what was due at time of Judgment and must be paid independently of the bid amount if purchased through a public auction.

HELPFUL INFORMATION

All of the properties listed are located in Newton County and held in trust by the Burkeville Independent School District or Kirbyville Consolidated Independent School District taxing jurisdictions for itself and any other taxing units participating in the judgment granted and in the original constable sale wherein the properties were struck off to the taxing authorities because no bids were received.

There are two options to purchase these properties at this time after you have researched properties you can do either of the following options:

- 1) Submitting a Trust Bid Form with a Cashier's Check for all taxes and court cost due for the property to the Newton Central Appraisal District to process for approval recommendation. Your cashier check will be held in escrow and will be distributed when approval is received from taxing jurisdictions. You can contact *Tiffany Johnson* at [tjohnson@pbfc.com](mailto:tjohnson@pbfc.com) in our Conroe Office at 936-242-6815 to find out the full purchase quote price.
- 2) Submitting a Trust Bid Form with a cashier check for the amount of bid being offered for the property to the Newton Central Appraisal District to process for approval recommendation. Your cashier check will be held in escrow and will be distributed when approval is received from taxing jurisdictions or will be returned to you if bid is denied. Please note that if a lower bid than what is due is submitted and approved, the approved bid amount will only cover court cost amount due and tax years due that were included in the judgment. The purchaser will be responsible for any noted post judgment tax years due, if any.

If properties are not sold through an approved bid, they will be reoffered at a public resale auction through a resolution order.
