

Donald B. Roseman Scholarship Established

Partner Donnie Roseman recently was honored by the Spring Branch Education Foundation (SBEF) with the establishment of a scholarship in his name. The Donald B. Roseman Scholarship will be awarded to a Spring Branch ISD student each year beginning with the 2024-2025 school year.

Donnie has been part of SBEF for more than 25 years. During that time, he has been a long-standing member of the Executive Board and Chair of the Program & Assessment Committee. SBEF created the Donald B. Roseman Scholarship in appreciation for Donnie's commitment and service to the foundation.
